NEW BENEFITS FOR MEMBER PROGRAMS

USA Lacrosse GameBuilders is how we recognize the program leaders who keep showing up for the sport and athletes by providing loyalty rewards.

— Access to regional in-person coaching clinics and on-site celebrations
— Expanded access to Advancement Grants and physical education kits for local schools
— Custom research through the USA Lacrosse Momentum Lab to drive program growth

MEMBER ORGANIZATION AGREEMENT (MOA) & CERTIFICATE OF INSURANCE (COI) PROCESS

— Every program needs at least one Program Leader with an active membership on file.
— Anyone who needs account access — requesting a COI or managing the roster — must hold an active Program Leader membership with a completed background check and abuse prevention training/ SafeSport certification.
— Contact your Regional Manager to activate your program account.

ROSTER UPLOADS

— Once registration is complete, submit rosters to Rosters@usalacrosse.com to keep your program fully protected
— All athletes and coaches must carry active memberships for the full season to meet insurance requirements.
— Coaches must also complete both a background check and abuse prevention training/SafeSport Certification.

SAFESPORT TRANSITION (2027)

We will begin to transition under USOPC guidelines in 2027. This will require all 18+ coaches, officials, and program leaders to complete SafeSport certification within their next membership cycle.
