## Guideline for Game Day Procedures

Both the Home and Visiting team are to split the cost of the officials. Each team pays one official or if there is only one official present the cost for that official is split. Officials are to be paid before the game when the coaches and captains meet to discuss the game if this is possible. If not, coaches please notify officials on their game that the club representative/director will be taking care of payments by Sunday evening of weekend of the games played. All coaches must abide by the [PAGLA Code of Conduct](#).

**Payment must be made by check, cash or Venmo**
